

# “CHRIST TO COSMOS MINISTRY”

## Operational Policy # 4

### C2C Mission Giving Point Allocation

The annual C2C Kingdom Ventures giving program provides financial support for our C2C family. These resources are divided up according to the C2C Mission Giving Point Allocation Policy and are distributed electronically at the end or at the start of each month.

<u>Point Allocation System</u>	<u>Allocated Points</u>
• Missionary Couple	8 points
• Single Missionary	6 points
• Dependant Children*	2 points (per child)
• Community Projects	up to 4 points (capped at \$5000 per annum)
• City Projects	up to 4 points (capped at \$5000 per annum)
• India Projects	5 points
• New Apostolic Ventures	2 points
• Special Projects**	up to 10 points

Each month a targeted amount of money is divided by the total number of “points”. This single point value is then used to calculate each missionary’s allocation.

The C2C Ministry Team seeks to prayerfully discern its application of this point allocation policy.

We acknowledge that financial needs can fluctuate with time and circumstance and we must be sensitive to the leading of the Holy Spirit.

Therefore adjustments to the number of points allocated will be made after completion of the “C2C Financial Questionnaire”.

**\*Dependant Children are those who are totally dependant upon the family for support and care. If a child is working part or full-time or receiving Austudy etc they are NOT dependant.**

**\*\*When Crisis / Emergency situations require financial assistance, funds will be drawn from Special Projects and sent ASAP as and when required.**
